**THE VENUE** Chapel of the Chimes, 4499 Piedmont Avenue, Oakland, CA 94611.  
The magnificent building, designed by Julia Morgan, contains over 100 rooms decorated  
in a style evocative of gothic cathedrals. The special WALK THROUGH CONCERT format  
allows you to follow a map leading you to harp music from all times and places: Celtic,  
Renaissance, African, Latin, Scandinavian, Asian, Medieval, Classical, Jazz, and Modern.  
Sit and listen for a while in one of the larger venues; or wander freely from room to room,  
niche to niche and let the sounds of one harp fade as you approach the next.  
Special programs for children.
